## REQUEST FOR RECONSIDERATION

MAIL STOP AF  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the Official action of February 5, 2007. The applicant requests reconsideration and withdrawal of the final rejection for the following reasons.

In addition to the reasons presented previously submitted, the applicants have noted that the strength of the pawl is an important consideration. As explained in the applicants' specification at paragraph 0005, the trend toward higher engine power has resulted in the application of greater loads to the tensioner ratchet mechanism, and these greater loads not only
